

Asbestos FAQs

Why do I have to book this item?

Bookings are being introduced to ensure safety for onsite staff and other residents, by allowing time to check this hazardous waste is wrapped and sealed in the correct bags, available from Flintshire Connects after booking. *FCC strongly advice residents discovering Asbestos at their properties to seek a qualified Asbestos disposal company, to remove and collect Asbestos safely *

Why are you putting limits on this item?

Asbestos is a highly hazardous material and great care needs to be taken when handling it. Asbestos should never be broken down as it releases irritant fibres which are extremely dangerous if inhaled. Large pieces and quantities should be handled by a specialist permitted contractor

What is the size of the red bags?

25 - 30kg 1200 x 900 mm

If I have a permit for a van or trailer, am I only allowed to go to my permitted site?

Exceptions will be allowed for this material alongside a booking as it is only accepted at Buckley HRC

What will happen if I am late?

The time-slots are 2 hours long, if you do not arrive within this timeframe your booking will be invalid

What will happen if I miss my scheduled day/time?

You will need to contact Streetscene on 01352 701234 if you are looking to re-schedule

What can I do if I have more than the allocated amount?

The link below will take you to a list of registered hazardous waste carriers
