Foreword

Welcome to Flintshire County Council's Welsh Language Promotion Strategy 2018 – 2023. Welsh language is an important part of Flintshire's cultural identity and we have been proud to celebrate our linguistic heritage, hosting one of the most successful Urdd Eisteddfod's in 2016.

We are fully committed to supporting the Welsh language and continue to provide grants to, and work in partnership with, the Urdd, Menter Iaith and Mudiad Meithrin. This partnership approach has meant that a new Welsh medium foundation phase school, Ysgol Croes Atti - Glannau Dyfrdwy, opened in 2014 in Deeside. This provides an exciting opportunity for families in the Deeside area to access local Welsh medium education.

Our work in providing bilingual services has been recognised externally. A few years ago, Social Services were nominated for an award at the Welsh Language in Health, Social Services and Social Care Awards. They received a special recognition award for their work in promoting and providing Welsh language services for residents of Llys Jasmine, extra care housing accommodation. They were also runner up in the Minister's Special Award for providing bilingual services.

We believe that we have been making steady progress to provide bilingual services, however developing and implementing a Welsh Language Promotion Strategy for the county presents a new ambitious, challenge for the Council. Setting targets to maintain or increase the number of Welsh speakers for the county as required by the Welsh Language Standards, against a backdrop of reducing numbers of Welsh speakers, cannot be achieved by the Council alone. We need to work closely with our partners and take a stepped approach to create long term, generational change. The involvement of Coleg Cambria, Menter Iaith, Mudiad Meithrin and the Urdd in developing this draft Strategy has been invaluable; we would like to thank them for their contribution and look forward to their continued support.

Your support and commitment to this strategy is critical, whether you are a Welsh speaker, a Welsh learner or do not speak any Welsh, we would like to hear your views. We want to know what you think and what actions we can take in the future to raise the visibility and profile of the Welsh language to safeguard its future.

Welsh Language Promotion Strategy 2018/23

1. Introduction

1.1. Flintshire County Council set out its commitment to the Welsh Language in its former Welsh Language Schemes. The Welsh Language Schemes have now been replaced by the Welsh Language Standards. Flintshire County Council is required to comply with Standards set under the Welsh Language (Wales) Measure 2011; the Measure gives the Welsh language official status in Wales.

The aim of the Standards is to continue and develop the work of Welsh Language Schemes:

- improving the services Welsh-speakers can expect to receive from organisations in Welsh
- increasing the use people make of Welsh-language services
- making it clear to organisations what they need to do in terms of the Welsh language

Standard 145 requires the Council to develop a Welsh Language Promotion Strategy which sets out how we will promote the Welsh language and facilitate the use of the language. We are also required to set targets to maintain or increase the number of Welsh speakers in the county.

1.3 As a local authority, we recognise that we have a responsibility and a duty as a community leader to promote, support and safeguard the Welsh language for the benefit of present and future generations. We are committed to taking action to achieve this and are confident that the Welsh language in Flintshire has a prosperous future. This Welsh Language Promotion Strategy sets out how we will do this.

1.4 Being able to use Welsh is important. It gives businesses who can offer bilingual services an advantage over their competitors and gives Welsh speaking job applicants an additional skill. Welsh speakers also have the opportunity to experience two different cultures.

1.5 Developing a Welsh Language Promotion Strategy for Flintshire is critical to supporting the Welsh Government achieve its aim of one million Welsh speakers by 2050. Welsh language is an important part of our identity and we are proud of our heritage. It is one of the strongest minority languages in Europe and is believed to be the oldest surviving language in Europe. The Welsh language is a vibrant language and can be heard in the workplace, in schools and shops in Flintshire.

1.6 Figures from the Census 2011 showed that the proportion of residents in Flintshire who speak Welsh fell slightly to 13.2% (19,343 people) in 2011 compared to 14.4% (20,599 people) in 2001. It is important that there is no further reduction in the percentage of Welsh speakers in the county; therefore during the first five years of the Strategy we will aim to increase the percentage of Welsh speakers in the county.

1.7 It can take up to six/seven years for a learner to be able to converse confidently and as approximately 5% of all school pupils attend our single Welsh medium secondary school, increasing the number of Welsh speakers will be an incremental and generational change.

2. Aim

2.1 The aim of the Flintshire Welsh Language Promotion Strategy for the period 2018/23 is to promote, support and safeguard the Welsh language for the benefit of present and future generations. We will support an **increase** the current level of Welsh speakers, (13.2%/ 19,343) within the county to 20,000 (13.6%) people during this period. Our longer term vision, post 2023 is to increase the number of Welsh speakers to create a bilingual county where Welsh language is a natural part of everyday life.

2.2 We will do this by achieving the following objectives

- i) Increasing the range of Welsh medium childcare and early years providers in the county.
- ii) Increasing number of pupils receiving education through the medium of Welsh at both primary and secondary phase.
- iii) Encouraging people to learn, speak and use the Welsh language in the county through developing and trialling new initiatives with our partners in further and higher education and the voluntary sector.
- iv) Developing a sense of value, pride and positive attitude amongst both Welsh speakers and non- Welsh speakers by raising the visibility and prominence of the Welsh language in the county.
- v) Encouraging local businesses, voluntary sector and Council partners to develop bilingual services and increase opportunities to use Welsh by promoting the importance of Welsh to them.
- vi) Ensuring Council contractors comply with the Welsh Language Standards through the procurement process.
- vii) Strengthening the position of the Welsh language by undertaking assessments to identify the impact on the Welsh language and Welsh speakers when we develop new Council policies or revise existing policies or making decisions.
- viii) Increasing the use of Welsh in services and within the workplace through implementing the [Mwy na Geiriau Framework](#) and Flintshire County Council Welsh in the Workplace Policy.
- ix) Maximising opportunities to promote Welsh language through the Local Development Plan

2.3 Target and measuring progress

Our target during the next five years is to support the **increase in** the number of the population in Flintshire who report that they speak Welsh. Our ambition for the longer term period is to increase the number and percentage of Welsh speakers in the county to eventually create a bilingual county and support Welsh Government achieve one million Welsh speakers in Wales by 2050.

We will measure progress through monitoring the:

- number of pupils being taught through the medium of Welsh
- number of Welsh speakers in the county (Census 2011 and Census 2021)
- number of people with no knowledge of Welsh (Census 2011 and Census 2021)
- number of adults who are learning Welsh in the county

- number and percentage of Flintshire County Council employees who report that their Welsh skills are at level 4 (advanced) and level 5 (proficient)

Measure	Current position 2018
Number and percentage of pupils receiving Welsh medium education	Number of primary school pupils = 845 pupils, (6% of all primary school pupils)
	Number of secondary school pupils = 506 pupils, (5.51% of all secondary school pupils)
Number and percentage of Welsh speakers in the county	19,343 (13.2%) Census 2011
Number and percentage of people in the county with no knowledge of Welsh	116,736 (79.4%) Census 2011
Number of adults learning Welsh in the county	To be confirmed
Number and percentage of Flintshire County Council employees who report that their Welsh skills are at level 4	70 (4.66%)
Number and percentage of Flintshire County Council employees who report that their Welsh skills are at level 5	65 (4.32%)

2.4 The number of Welsh speakers in the county is influenced by several factors: the number of pupils who attend Welsh medium education, the number of adults who choose to learn Welsh and the number of Welsh speakers and non - Welsh speakers who move in and out of the area. Flintshire is a border county and with excellent transport links to Cheshire, Wirral, Manchester and Shropshire resulting in continual inward and outward migration. The housing growth set out in the Local Development Plan is an opportunity to encourage new homeowners to learn Welsh, take advantage of Welsh medium education and use their Welsh language skills.

2.5 We cannot achieve this strategy alone; we are dependent upon working closely with our partners in education and the voluntary sector to ensure that training is available alongside opportunities to use Welsh in everyday life. This will mean that there will be:

- sufficient opportunities need to be available for parents to access Welsh medium childcare and education services;
- enough learning opportunities at the right time and right level to meet learners'

needs;

- opportunities to use Welsh skills and increase confidence in different settings;
- opportunities for young Welsh people leaving school to continue using their Welsh skills socially, through vocational and academic training and at work; and
- more bilingual services

2.6 The impact of this Strategy will be strengthened by the national and local policy context:

- Flintshire County Council's [Welsh in Education Strategic Plan](#) (2017/2020), this plan sets out the Council's commitment to supporting, expanding and promoting Welsh-medium education within the whole community and increasing the number and percentage of pupils receiving Welsh-medium education to develop learners who are fully bilingual (i.e. fluent in both English and Welsh).
- Flintshire County Council's Welsh in the Workplace policy which will encourage employees to use Welsh at work, whatever their level of Welsh
- Flintshire Local Development Plan which may require that language impact assessments are undertaken on new developments
- The Welsh Government Strategy: [a million Welsh speakers by 2050](#) which aims to have a million Welsh speakers by 2050, more children in Welsh-medium education, better planning in relation to how people learn the language, more easy-to-access opportunities for people to use the language, a stronger infrastructure and a revolution to improve digital provision in Welsh, and a sea change in the way we speak about the language.
- [Mwy na Geiriau](#) the Welsh Government Framework to strengthen Welsh language services in health, social services and social care.
- [Well-being of Future Generations \(Wales\) Act 2015](#) aims to improve the social, economic, environmental and cultural well-being of Wales. This requires public bodies to work together to meet seven well-being goals, one of which is:
A Wales of vibrant culture and thriving Welsh language.

3. **Current position- Welsh speakers in Flintshire**

Details about the profile of Welsh speakers in the county can be found in Appendix 1. The Table below shows that the number of people who report that they can speak Welsh in Flintshire is decreasing. In 2001, 14.4% people reported that they could speak Welsh compared to 13.2% in 2011. Prior to this the Census reports from 1981 and 1991 showed a steady increase in the percentage of people who spoke Welsh, rising from 12.66% in 1981 to 13% people reporting they could speak Welsh in 1991. This increased to 14.4% in 2001.

There are seven wards in Flintshire where over 20% of the residents report that they speak Welsh and there are fifteen wards where less than 10% of people report that they can speak Welsh. These are set out in the Tables overleaf:

4. Welsh medium education provision

Flintshire currently has five primary schools and one Welsh secondary school delivering Welsh medium education spread geographically across the authority:

- Ysgol Mornant, Gwespyr Picton *
- Ysgol Gwenffrwd, Holywell
- Ysgol Croes Atti Flint including the Glannau Dyfrdwy satellite in Shotton
- Ysgol Glanrafon, Mold
- Ysgol Terrig, Treuddyn
- Ysgol Maes Garmon, Mold (secondary)*

The Council's [Welsh in Education Strategic Plan \(WESP\) 2017/2020](#) sets out how we will support, expand and promote Welsh medium education. The objectives include:

(a) increasing the provision for Welsh medium education including early education services

(b) developing a more effective immersion system to achieve a steady increase of pupils in the Year 6/Year 7 Trochi Unit at Ysgol Maes Garmon year on year to approximately 30 places by 2020

(c) increasing numbers of pupils entering Welsh medium in Year 2 to Year 6 by the provision of a specifically designed immersion programme

Good Practice

All Welsh medium primary schools in Flintshire have been awarded Siarter Iaith Silver award for their increased use of Welsh in a social context and are now working towards the Gold award. 45 English medium primary schools are engaged in the Cymraeg Campus project and are working towards the Bronze Award.

5. Learning Welsh - Adults

The official provider for Welsh for adult learners in North East Wales is [Coleg Cambria](#). They provide a range of Welsh courses language courses for those who are complete beginners to advanced courses. The figures for the number of adults currently learning Welsh in the county are not yet available at the time of preparing this Strategy.

There are 133 employees learning Welsh (2017) in the Council

Level	2016/17	
	Number	%

Entry	34	0.75%
Foundation	20	0.37%
Intermediate	12	0.33%
Advanced	2	0.004%
Proficient	3	0.006%
Total	133	2.95%

Good Practice

Some Teams encourage Welsh learners to practice their Welsh by spending 10 minutes once a week where everyone talks in Welsh- whatever their skill level.

6. Partnership working

The Council cannot achieve these targets for increasing the number of Welsh speakers in the county without the support and involvement from our partners.

Through the County Forum, the Council works with Town and Community Councils and together have published a Charter which sets out how we aim to work together for the benefit of local communities whilst recognising our respective responsibilities as autonomous, democratically elected statutory bodies. Welsh language is an important component of the charter, working together to promote Welsh language and culture.

Every local council area in Wales is legally required to have a Public Services Board (PSB) whose purpose is to work collectively to improve local social, economic, environmental and cultural well-being. The Flintshire PSB is made up of senior leaders from a number of public and voluntary organisations. Engagement and commitment to this Strategy from the PSB is essential if its aim is to be realised. Flintshire has a longstanding and proud track record of partnership working. The communities it serves expect statutory and third sector partners to work together to manage shared priorities through collaboration. The Flintshire Public Services Board (PSB) is at the

heart of promoting a positive culture of working together and concentrates energy, effort and resources on providing efficient and effective services to local communities

Good Practice

Commitments to the Welsh language are included within the Flintshire County Forum Charter

7. Role and contribution of national bodies

Welsh Government

The Welsh Government has a key role in supporting the Council achieve its aim to increase the number of Welsh speakers. They contribute in different ways:

- leading by example and promoting Welsh language and culture in all that it does;
- ensuring technology that is compatible with the Welsh language is available in Wales, for example, the Planning portal for Wales;
- developing resources to support local authorities promote the Welsh language;
- supporting the development of resources for Welsh learners and Welsh speakers who wish to continue developing their skills;
- influencing the private and voluntary sectors to embrace the Welsh language.

National Centre for Learning Welsh

The National Centre for Learning Welsh is funded by Welsh Government and is responsible for all aspects of the Welsh for Adults education programme. This includes the curriculum and course development, resources for tutors, research, marketing and e-learning. The purpose of the Centre is to increase the numbers of people learning and using Welsh. A network of 11 providers deliver courses on its behalf. Coleg Cambria is the provider for North East Wales.

The National Centre for Learning Welsh has a key role in ensuring that flexible opportunities to learn Welsh are in place, including supporting adult learners to develop skills for the workplace.

Institutions of Further and Higher Education

Developing opportunities to study vocational and academic courses through the medium of Welsh is the responsibility of institutes for further and higher education, these contribute to not only developing the skills of teachers within schools but prepare the future workforce who can provide services through the medium of Welsh.

8. Opportunities to use Welsh in the community- currently and in the future

There are a variety of opportunities to use Welsh in the county of Flintshire.

Early Years provision

Youth Services

Youth Service funded a two year part time post, to work with English medium schools to engage them in the Urdd Eisteddfod which was held in Flint during May 2016.

Urdd

The Urdd provide Welsh lunchtime clubs running during school hours in secondary and primary schools in Flintshire.

Good Practice

Theatr Clwyd are implementing bilingual talk backs to offer audiences the opportunity to discuss their productions in both languages

The Council's **Play Team**, in partnership with Urdd Gobaith Cymru, deliver play schemes through the medium of Welsh.

In the workplace

Employees are encouraged to use their Welsh skills in the workplace as often as they can, and whatever the level of their skill. They have been provided with access to Cysill (Welsh spell checker) and Cysgeir (Welsh dictionary).

The Council promotes the use of Welsh through encouraging employees to wear the laith Gwaith badges and posters. Employees include the logo on their e-mail signatures; “Siaradwr Cymraeg” is included on email addresses of Welsh speakers. The purpose of this is to easily identify Welsh speakers and encourage employees to use Welsh with each other and with other organisations.

Employees can access Welsh language training at all levels and are supported to attend residential courses at Nant Gwrtheyrn.

In addition, Social Services facilitate two “Paned a Sgwrs” groups, both meet monthly to provide employees with opportunities to practise their Welsh skills.

laith Gwaith posters are on display in all reception areas, Welsh speaking employees and Welsh learners wear the laith Gwaith lanyards and/or badge.

The Council’s website, Apps and self-service machines are bilingual as is the Council’s Twitter page. The Council’s Social Media Policy includes a requirement to comply with the Welsh Language Standards.

9. Procurement

The Welsh Language Standards have been incorporated within the Contract Procedure Rules and sample clauses are available to commissioning officers to incorporate within contracts.

Commitment to the Welsh language is also included within grants guidance, encouraging grant recipients to promote the Welsh language.

10. Celebrating Welsh Culture

The Council provides some financial support to Menter laith to celebrate St David’s Day within town centres in Flintshire; activities include window dressing competitions and Welsh singing. Local schools also participate in these events.

Within the Council a Welsh themed menu is provided for employees in the staff bistro and workforce news items and social media messages are also published. Staff are encouraged to speak Welsh and start conversations in Welsh whatever their skill level.

Other events celebrated in addition to St David’s Day include:

- Welsh Music Day - encouraging employees, school pupils and members of the public to listen to Welsh music.
- Saint Dwynwen’s Day- the Welsh Valentine’s day
- Su’mae Day – encourages everyone to speak some Welsh

Social Services run a Welsh Language promotional event for employees and services users on St David’s Day. Children and adults are invited into services and

discuss the importance of language in care settings as well as encouraging the use of Welsh and participating in cultural activities.

Good Practice

Social Services has developed a Welsh Language Reminiscence initiative for Welsh speaking people with dementia and their families. As part of the initiative reminiscences boxes have been designed for Welsh speakers and Welsh people or people who may have grown up or have strong links with Wales. The boxes contain sensory and memory aids and written material in Welsh. They are also specifically designed for Flintshire which means they have been developed in line with local Welsh cultures, traditions and heritage.

11. Monitoring and review

Actions and measures from this Strategy will be incorporated into the Council's performance management system and progress will be reported to Cabinet annually and as when needed. A summary of progress being made will be included within the annual Welsh Language Standards Monitoring Report. Progress will be monitored through the Chief Officer Team, Cabinet, relevant Overview and Scrutiny Committees and Welsh Language Network.

12. Conclusion

Developing this Strategy represents the start of our journey to promote and raise the visibility of Welsh language and eventually increase the number of Welsh speakers in the county. We recognise that we have a long and challenging road ahead, however, we believe that by working closely with our partners to implement this five year Strategy we will set a firm foundation upon which we can create long term, sustainable change.
