Monday, May 8<sup>th</sup>, 2017

Dear Parents,

As you know, Ysgol Trelogan and Ysgol Gronant have been working together for some years, and share a Headteacher, Mrs Madoc Jones. When the Governors of the schools agreed to this informal arrangement, we did so knowing that there may come a time when it made sense to put the relationship on a more formal footing. We believe that time has now come.

There are real advantages to both schools working closely together and we believe that the best way for this to happen is to create a school 'federation'. This is a legal arrangement that makes it more practical to share resources between the schools. It means merging the two governing bodies together, but we are not planning to change the day to day running of the schools.

The Governors believe this is the best way to support both schools into the future and to help them continue to serve their communities better. As well as continuing in their own buildings we want each school to keep its own character. We see this proposal as the best way to build on the collaboration we started three years ago and which has benefited both schools already.

Most importantly, we believe that creating a school federation is the best way to continue improving the education we can provide for the children in our communities.

We are consulting a wide range of groups who might have an interest in this proposal, including Parents, Staff, Unions, the County Council and the pupils themselves. We would ask you to read the enclosed document, which describes the process we intend to follow. An important part of the process is that we consider your thoughts and opinions.

The consultation process will end on the 12<sup>th</sup> June 2017. There is a feedback form at the end of the enclosed document, or you can take part in an online survey. The address for the survey website is: <https://www.surveymonkey.co.uk/r/Z5RKL9G>. If you would prefer to send an email or write a letter there are addresses in the document. An open meeting will also be held between 3-5p.m. on Wednesday, May 17<sup>th</sup> at the school, where you can come in and discuss your thoughts with us and with members of the County Education Authority. Please come along and share your views.

We look forward to hearing from you.
