Dear Mr Roberts,

Thank you for your letter dated 6th October regarding Phosphates and the joint approach being taken by Flintshire and Wrexham Councils to address the requirements of Natural Resources Wales (NRW) with regard to effects of their Local Development Plans (LDPs) in relation to new phosphate targets.

It appears to us that good progress has been made on the matter and that the approach taken is thorough and appropriate. We are reassured by the close involvement of NRW and other stakeholders in the work.

Yours sincerely

*Siân Worden and Claire MacFarlane*
