Dear Mr Roberts

**Flintshire LDP and phosphates issue – MACs**

Thank you for your letter and positive response.

Thank you, also, for setting out your position in respect of the MACs in detail. We understand this and are happy for you to proceed to consultation on the basis you describe.

We will produce our report and final recommendations in the light of the comments received during that consultation exercise. If, at that time, we consider that changes are necessary to ensure the soundness of the LDP we will have the option of making such as IMACs.

Yours sincerely

*Siân Worden* and *Claire MacFarlane*

Inspectors
