## **PROHIBITION OF WAITING**

### **Statement of Reasons for Making the Order**

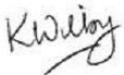

Flintshire County Council is to introduce No Waiting at Any Time restrictions (double yellow lines) in the roads as listed above, due to the construction of a new residential care home.

The introduction of the No Waiting At Any Time restrictions are intended to maintain visibility around the accesses to the residential care home and to ensure that the junctions are not obstructed by parked vehicles.

Parking at junctions, regardless of the presence of yellow lines, is an offence and the restrictions provide a visual deterrent to reinforce this message. At present, should vehicles be parked within 10 metres of a junction, an act of criminality may be committed and would therefore be subject to enforcement action by North Wales Police. Furthermore the Highway Code states that vehicles should not park near or on a junction as they may cause obstruction and compromise safety for all road users.

The County Council continues its responsibility to consider the provision of convenient and safe movement of motor vehicles and other traffic, and the proposed measures are aimed at ensuring that danger is minimised to vulnerable road users as well as improving the amenities of the locality.

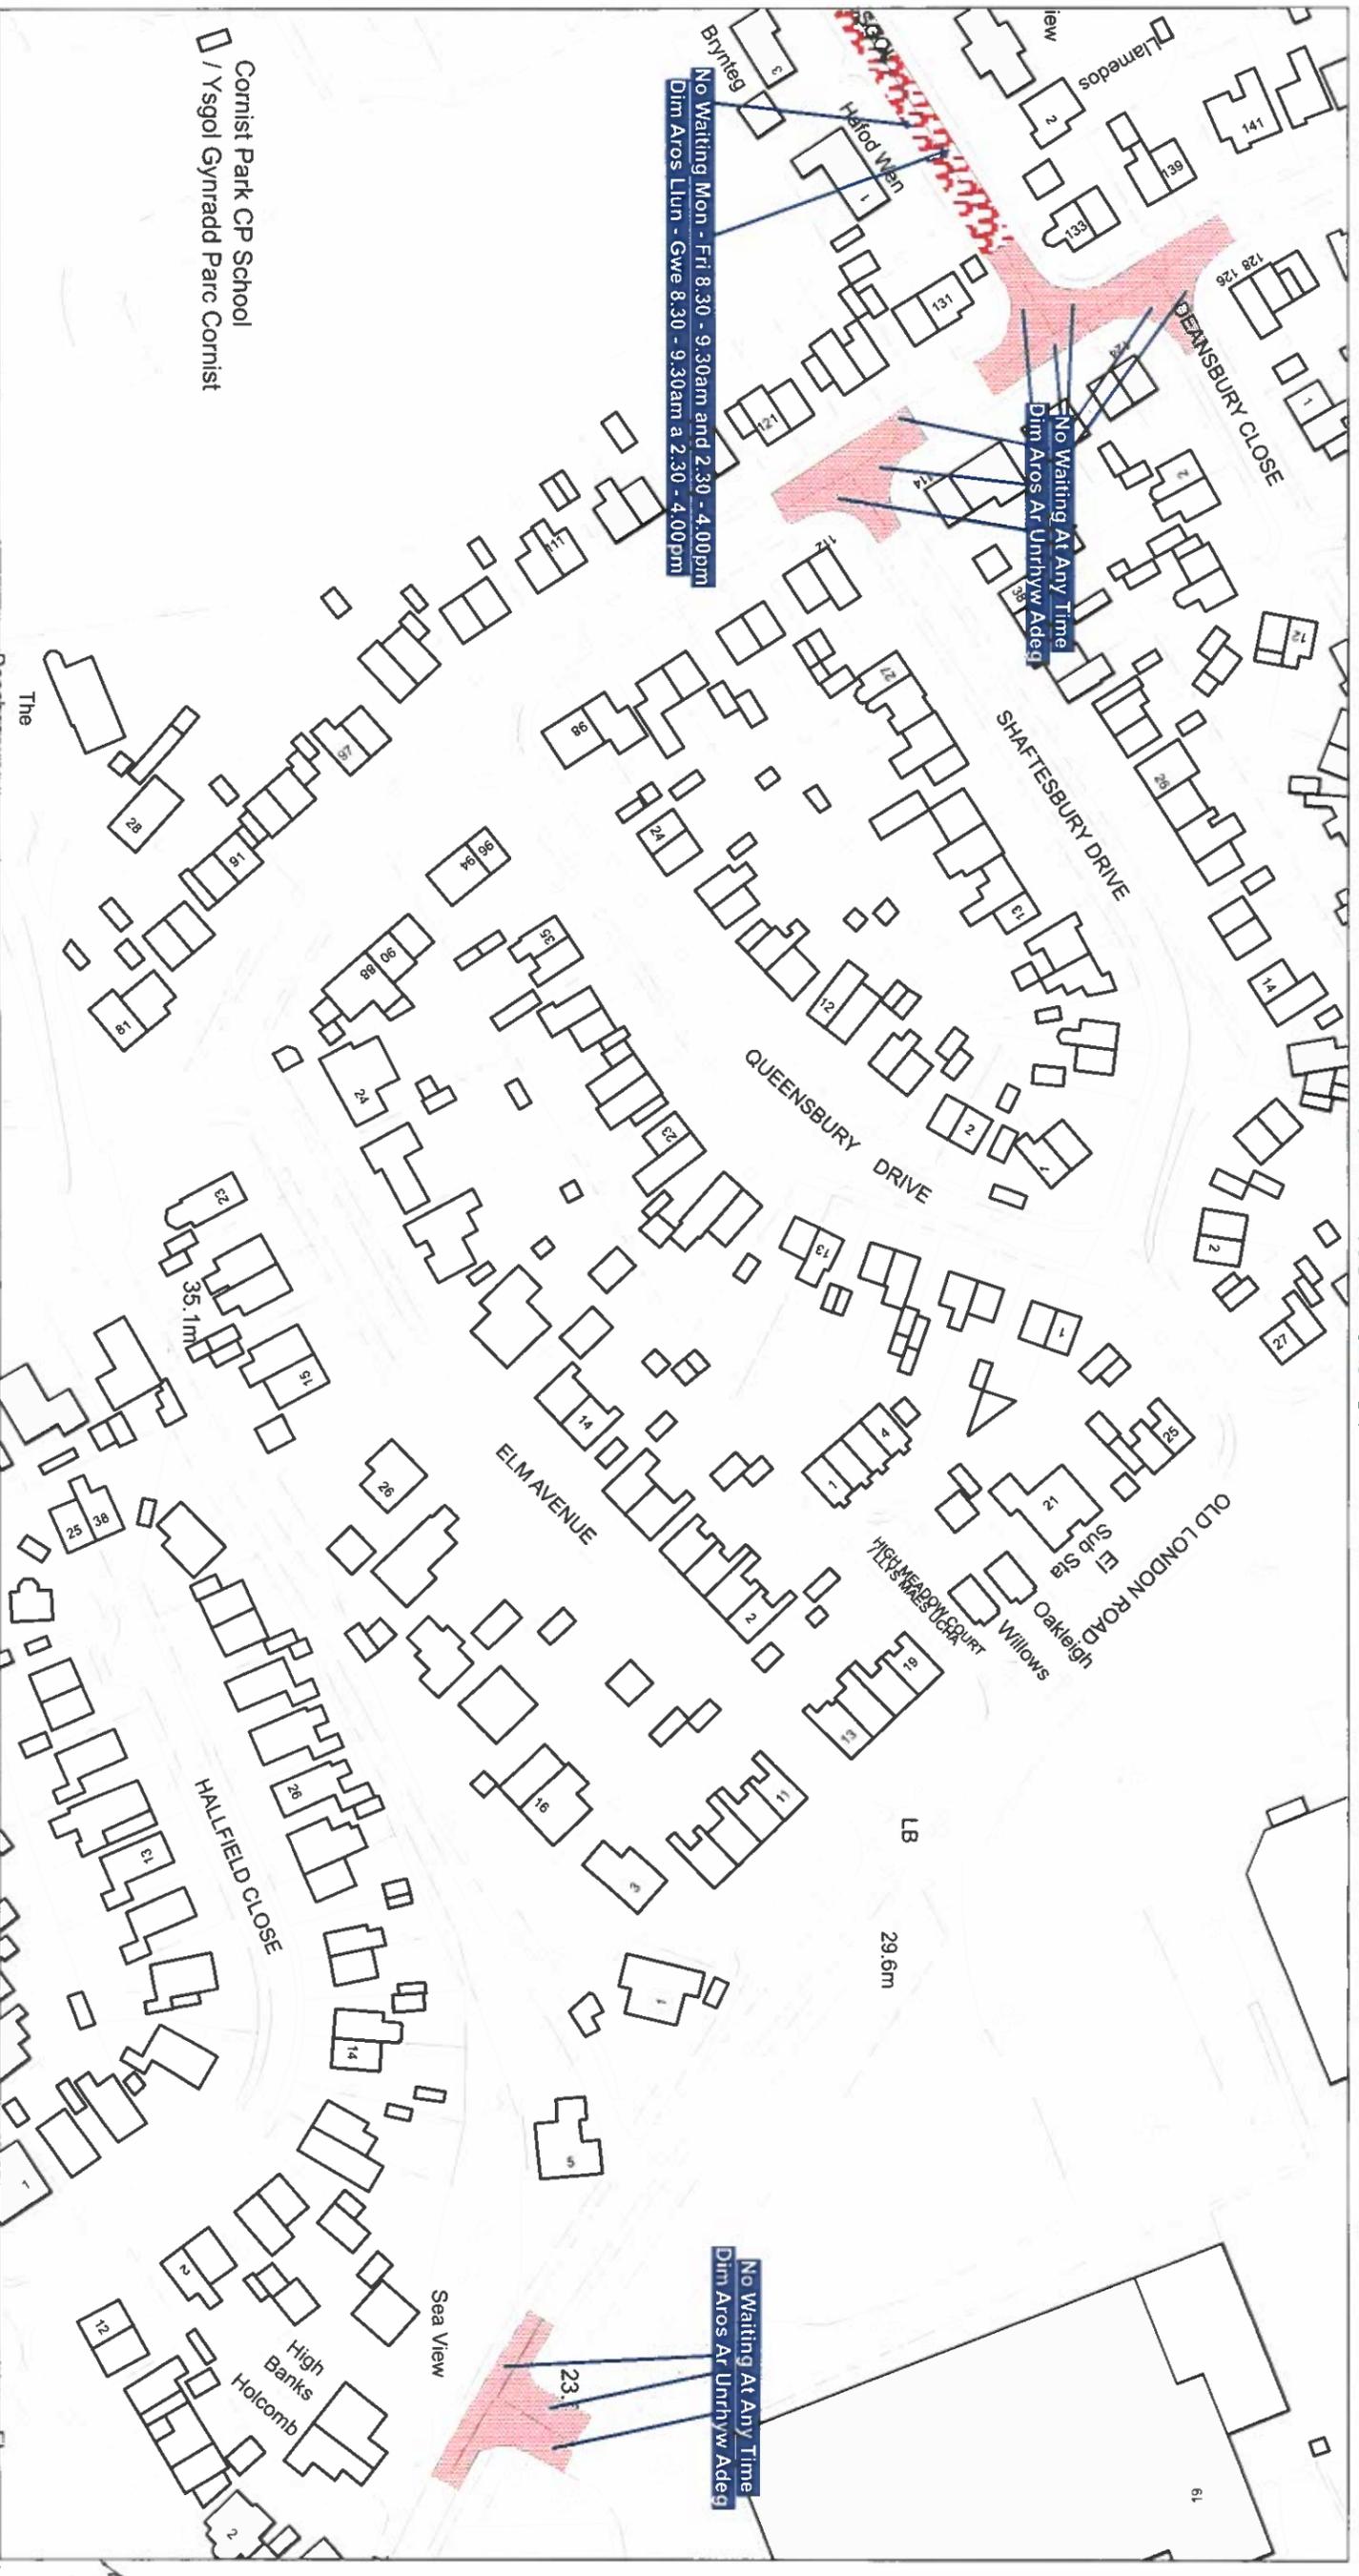

**They are detailed in the Public Notice and in the Order**
