## THE FLINTSHIRE COUNTY COUNCIL

### **VARIOUS UNNAMED ROADS, UNNAMED LANES AND TREM Y FOEL RHES Y CAE, HOLYWELL(VARIOUS ROADS) (20MPH, 30MPH, 40MPH, 50MPH AND NATIONAL SPEED LIMITS. RESTRICTED AND DERESTRICTED ROADS) (20MPH SPEED LIMIT) (AMENDMENT NO. 12) ORDER 2025**

Rhes-y-cae is a small parish and village located between Pentre Halkyn and Rhosesmor.

In September 2023 the default Speed Limit along restricted roads within Wales was reduced to 20 mph. The current 30mph Speed Limit by Order is not appropriate for this area due to the introduction of the 20mph speed limit throughout Wales for built up areas and villages.

This will introduce a 20 mph speed limit on the lengths of road specified within the Order, which due to limited street lighting did not meet the criteria for a restricted road and therefore the speed limit remained as 30mph. In light of this, it is recommended to introduce a 20mph speed limit, which is appropriate for a defined village and due to the lack of footway provision in places.

Local representation has suggested that a reduction in the speed of traffic through the area would be beneficial in terms of promoting safer roads and is supported by the local community.

The introduction of a 20mph speed limit on these lengths of road has the following benefits for all road users:

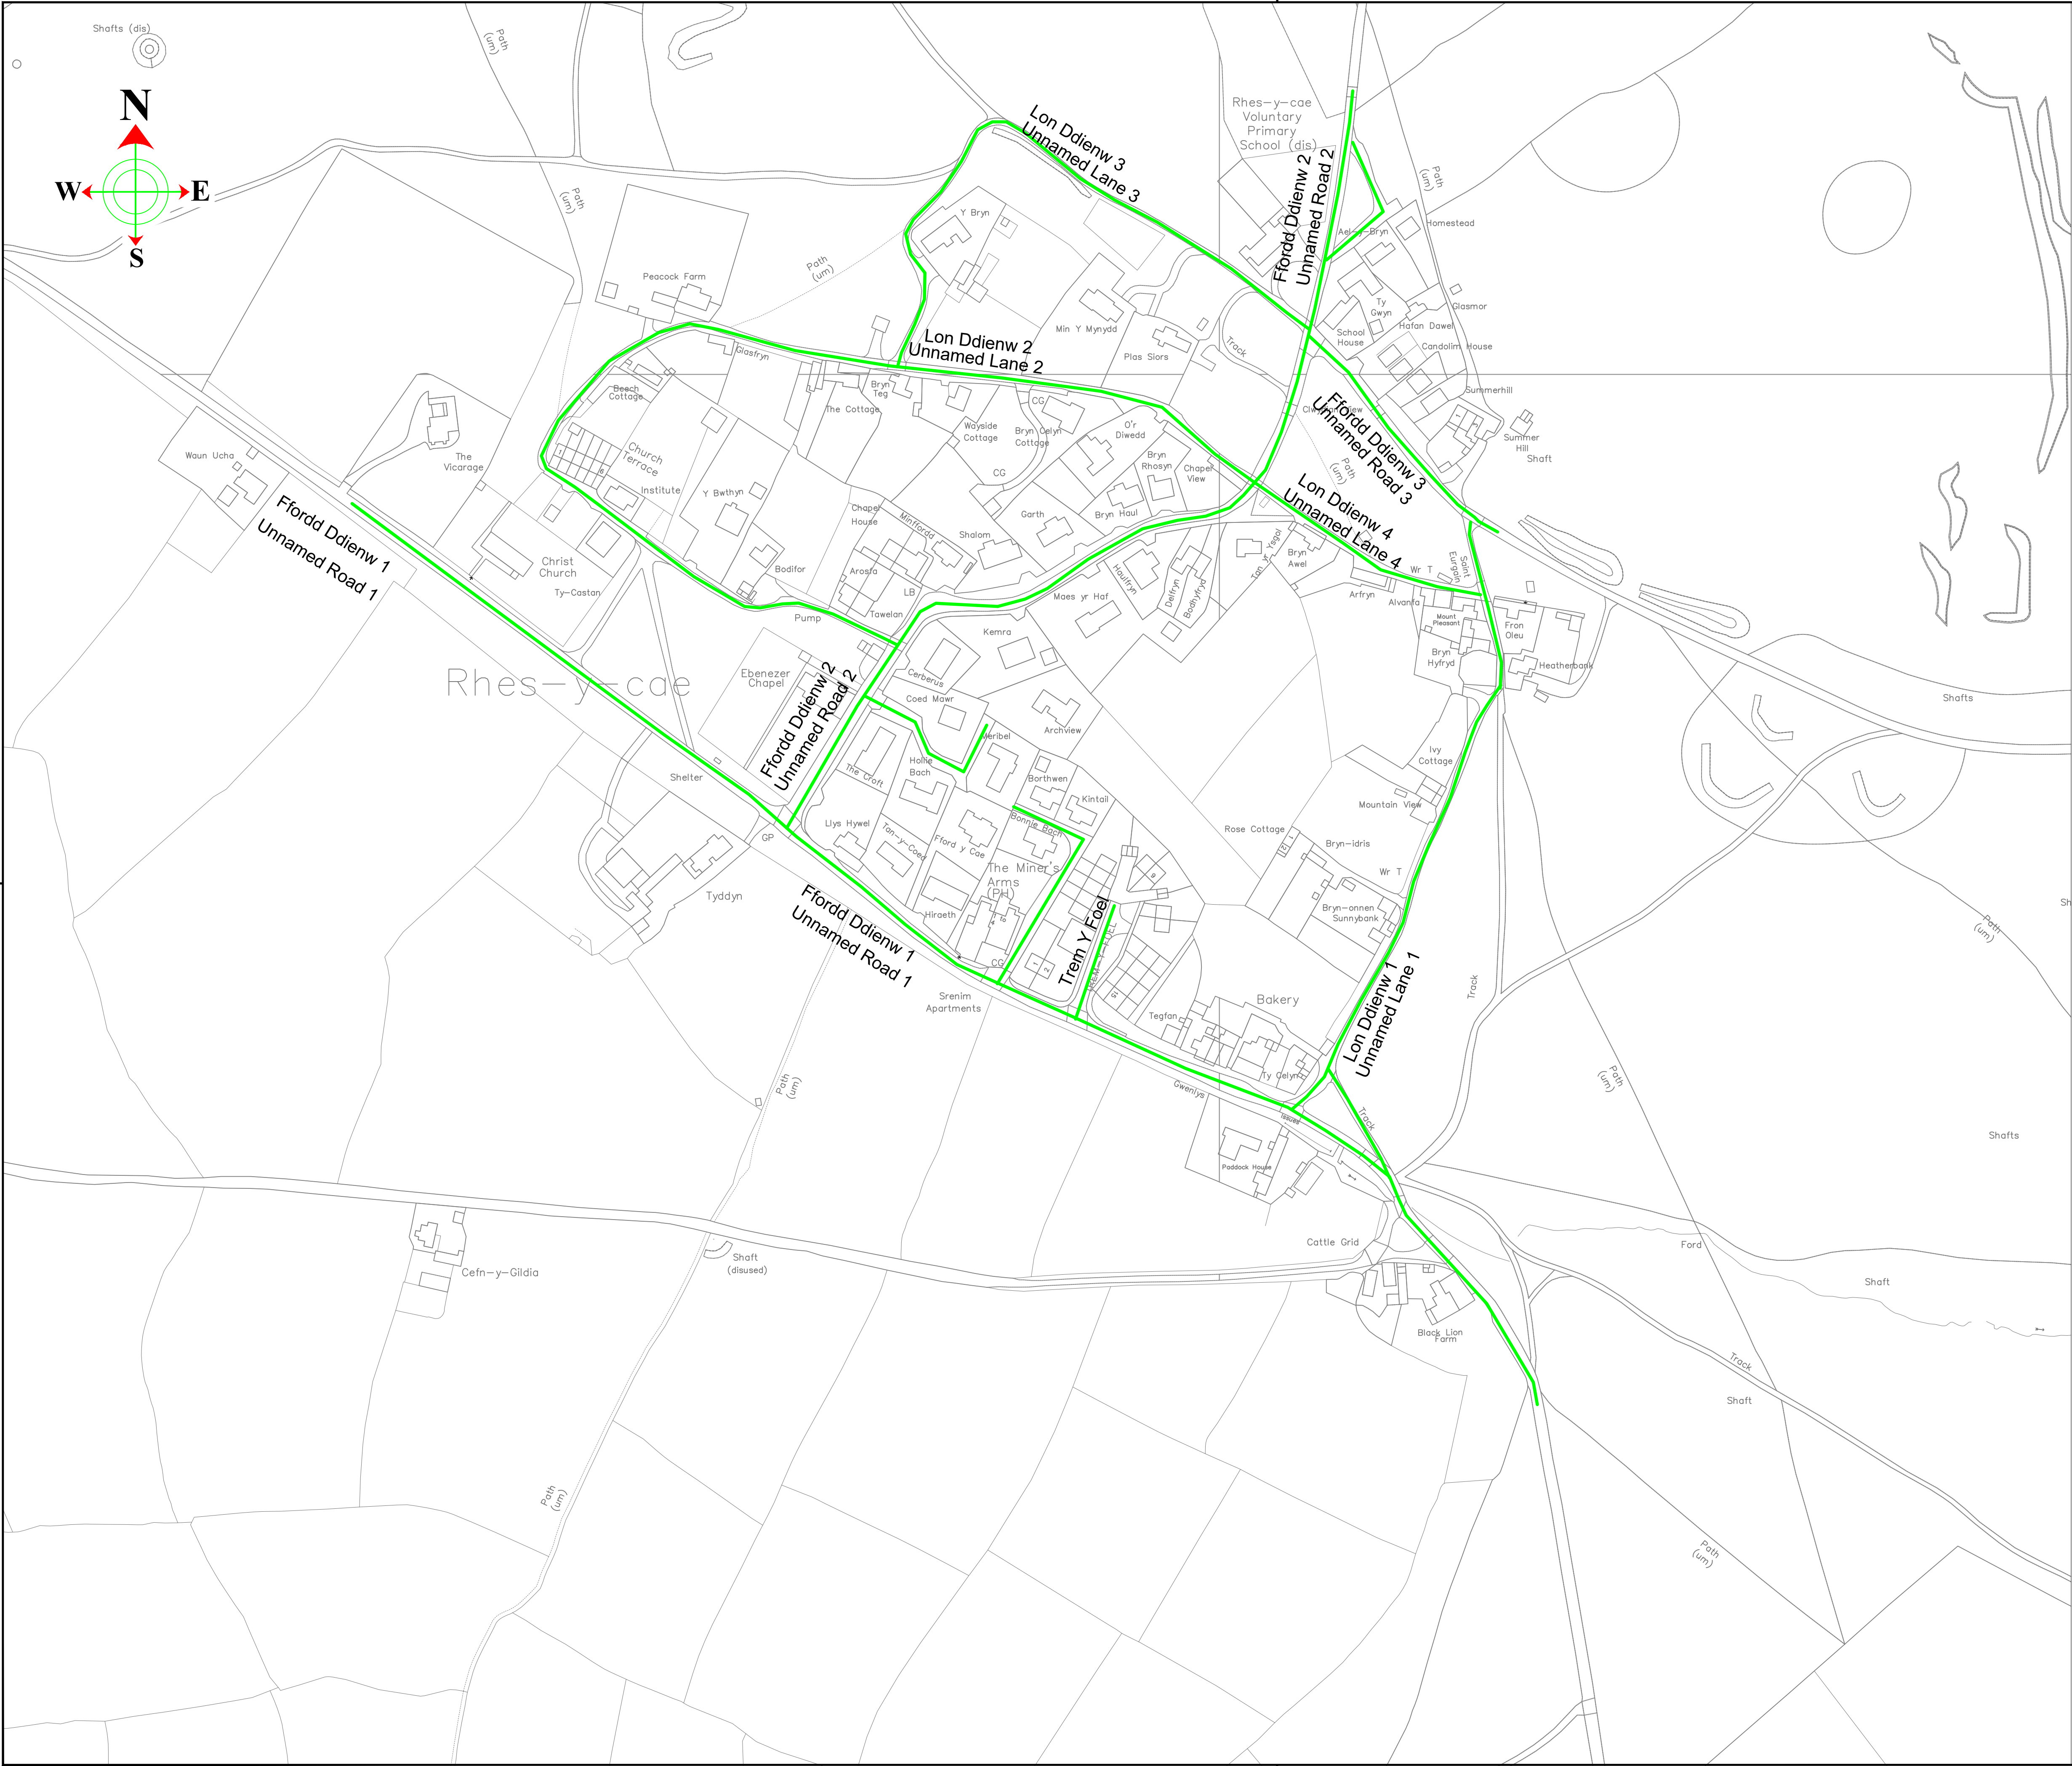

- Improving safety for pedestrians and cyclists
- Encourage more people to walk and cycle
- Help to improve health and well-being
- Improve accessibility by reducing motor vehicle dominance along the highway
- Safeguard the environment for future generations

The County Council continues its responsibility to consider the provision of convenient and safe movement of motor vehicles and other traffic, and the proposed measures are aimed at ensuring that danger is minimised to vulnerable road users as well as improving the amenities of the locality.
