Play Flintshire! - Every Child's Right!

Flintshire Play Development team are a service working closely with families and communities, for all children and young people in Flintshire

The delivery of the countywide summer playscheme programme, delivered in partnership with local town and community councils and Urdd Gobaith Cymru, since 1996

The delivery of the Flintshire Buddy Project providing a bespoke service to provide one to one support, where necessary for children and young people to participate in their local playscheme during the summer, since 2005

The delivery of the PALS (Play and leisure Support) Project – Providing a bespoke service for children and young people up to the age of 25 years to provide one to one support for children and young people with disabilities to participate in play, the arts, recreational, cultural, sporting and other social opportunities.

Play Development are the lead organisation for the legal duty on local authorities, in Wales, to both assess and secure play opportunities, via the Flintshire Play Sufficiency process. This is in accordance with the Children and families Measure (Wales) 2010

Delivery of a key Partnership with the Kicks for Kids Project – Kicks for Kids has been developed since 2016 to deliver, football coaching sessions to all children regardless of their means to pay, gender, ethnicity or disability. All sessions are delivered in a 'fun' environment. Each and every child is encouraged to develop skills, incrementally and at their own pace. .Kicks for Kids encourages children to gain in self-confidence and increase self-esteem, as sessions progress.

Delivery of a key partnership with the Playful Futures Project – A key success, since 2015 has been *Playful Futures* Playful Schools project, which has improved opportunities for play across a range of school settings. It has made a major difference to the school day, by creating more playful environments, supporting pupil voice, and training midday supervisors.
